## PROFESSIONAL EXPERIENCE

- **Web - Developer** | Xerago Digital Impact Consulting and Services — Chennai

Jan 2022 – Present

  - Designed and developed AEM components, templates, dialogs, and workflows improving content authoring efficiency.
  - Delivered responsive web apps using React.js, JavaScript, Bootstrap, and Tailwind CSS.
  - Improved UI performance and cross-browser compatibility through optimization and code restructuring.
  - Collaborated with product owners and designers for requirement gathering and architecture finalization.
  - Performed unit testing, debugging, and code reviews ensuring high-quality releases.
- **Junior Dot Net Developer** | EVI Software Services Private Limited

Jan 2020 - Jan 2022

  - Developed dynamic, responsive web pages based on client specifications.
  - Built and optimized RESTful APIs for scalable data communication.
  - Conducted unit and end to end testing before deployment.
  - Improved user engagement by 30% with enhanced UI workflows.

## PROJECTS

### REACT - PROJECTS

#### MERN Authentication System

Tech: MongoDB, Express, React, Node, JWT, Nodemailer, Vercel (Deployment)

Link - <https://authenclient.vercel.app/>

Developed a secure authentication system using JWT for session management and Nodemailer for OTP-based verification.

Implemented email-based OTP verification and password recovery, strengthening overall account security.

Built a fully responsive and user-friendly UI with React.js, ensuring seamless navigation across devices.

Deployed the application on Render, achieving high scalability and reliable uptime.

Optimized backend APIs and database queries, improving system performance and response efficiency by 30%.

### WEB - APPS

—— **K-Setu App** | Period: Feb 2021 - Jan 2022 Eduvision India Private Limited, Chennai.

Technologies: HTML, CSS, JavaScript, jQuery, Bootstrap, ASP.NET, C#, SQL Server

Built an education platform where students explore diverse subjects like Science, Math, and Tech.

Enabled users to create, share, and learn through posts, videos, and news.

—— **Weexpo Lead** | Period: Sep 2020 - Jan 2021 Eduvision India Private Limited, Chennai.

Technologies: HTML, CSS, JavaScript, jQuery, Bootstrap, ASP.NET, C#, SQL Server

Developed an all-in-one shopping app for education used by institutional leaders.

Supported a two-day educational event organized by WEEXPOINDIA
